ECYD Discount Application

ECYD Programs

ECYD is Regnum Christi's youth organization and is an international Catholic association of adolescents who make a pledge of friendship with Christ and with each other to build up a new world according to the Gospel. ECYD offers various programs around the world including the Challenge and Conquest programs in the United States and Canada. Challenge and Conquest are ECYD programs to help in the formation of adolescents as Christian leaders to transform culture. Challenge and Conquest can become platforms for young people to get to know ECYD and to live out elements of ECYD life as a way of living out their Christian faith. This year we are offering a discount for all the items on the Challenge/Conquest store for those clubs who are helping young people grow through ECYD.

To qualify for the different tiers of discounts, you will need to have the requisites verified and initialed by your ECYD Director. To qualify for the intermediate and pro level, all of the beginners and basics requirements must also be complete. Once initialed please upload a scanned copy to your club registration or email to dnovak@rcfed.org You will receive a corresponding coupon code that you can use on the store!
